Dear Ms. McClung:

The National Right to Life Political Action Committee is pleased to endorse you for election to represent Arizona's 7<sup>th</sup> Congressional District in the U.S. House of Representatives.

This endorsement reflects your commitment to renewing a culture of life, not only in Arizona, but throughout the nation and in the U.S. Congress.

Recently your opponent, Congressman Raul Grijalva, voted to enact President Obama's health care legislation, which will provide government funding for health plans that pay for abortion on demand, and promote the rationing of lifesaving medical treatments. At an earlier stage in the legislative process, Rep. Grijalva even voted against an amendment that would have prevented federal funding of abortion under health care legislation.

Your support is needed to reverse the pro-abortion and rationing effects of that health care legislation.

You are a strong advocate for life: you support pro-life legislation and you oppose the use of federal funding for elective abortion. We look forward to working with you to restore legal protection for innocent life – unborn children and medically disabled or dependent persons whose lives are threatened by abortion or euthanasia.

The countless Americans who respect the sanctity of human life appreciate your willingness to serve. This willingness to take up the fight for life makes us proud to endorse you in the upcoming election.

Sincerely,
