Dear Ruth,

Women Under Forty Political Action Committee (WUFPAC) is pleased to endorse your candidacy for Arizona's 7th Congressional District. WUFPAC believes strongly in supporting young women candidates enthusiastically and financially. We hope that you will utilize our resource during the general campaign.

WUFPAC federal endorsed candidates receive a \$2,500 PAC check which has been sent to the address indicated on your application. WUFPAC will notify our supporters of our endorsement via a press release and through additional social media tools. Please send us photo to use in the press release as soon as possible to info@wufpac.org. Finally, should your campaign bring you to Washington, D.C. to participate in meetings, please contact WUFPAC as we would be happy to help host or co-host an event and arrange for meetings with WUFPAC supporters.

Over the next few months, please know that WUFPAC is here to provide ongoing encouragement and motivation. We look forward to seeing you serve in the U.S. House of Representatives.

Best wishes,

Katie Vlietstra
