McClung Pledges to De-Fund ObamaCare

Charlottesville, VA – Today DeFundIt.org is proud to announce Ruth McClung, Republican candidate Arizona's 8th Congressional District, has signed our pledge to de-fund ObamaCare. Over 125 candidates have signed the pledge, including Nevada Senate candidate Sharron Angle and nineteen in the NRCC "Young Guns" program. Chairman Alex Cortes, speaking on Ruth McClung's pledge said:

"By signing our pledge, McClung has taken a leadership position in calling for the de-funding of ObamaCare as the first necessary step to fully repealing and replacing this unconstitutional, job-killing, fiscal train wreck. Americans and Arizonans would have a friend in Congress with Ruth."
